■ GitHub: ShivaMERN| ■ LinkedIn: Shivam-rakhonde

■ Objective

I am a Frontend Developer with skills in HTML, CSS, JavaScript, and React, passionate about creating responsive and user-friendly web applications. My experience includes developing projects like an interview preparation website, a billing system for supermarkets, and a hotel management system. I thrive on solving problems and continuously improving my technical skills.

■ Technical Skills

• HTML5, CSS3, JavaScript (ES6), Responsive Web Design
• React (Basic), Tailwind CSS
• Python, Java (Basic)
• SQL Server, Git & GitHub
• Operating Systems: Windows, Linux

■ Projects

- **Personal portfolio (Frontend)**

Designed and developed a responsive personal portfolio website to showcase my projects, skills, and contact information. Implemented modern UI/UX principles for intuitive navigation and accessibility. Integrated interactive features using JavaScript, including a dynamic project gallery and smooth scrolling. Deployed the site for public access.

- D-Mart Bill Generator

Developed a dynamic billing system for supermarkets using JavaScript, enabling real-time bill generation with automated price calculations and responsive UI.

- **Hotel Management System**

Developed a desktop-based hotel management application using Java and SQL Server as part of a 2-member team. Handled room bookings, customer records, billing, and database integration for efficient hotel operations.

■ Education

Degree / Course	Board / University	Year	Percentage
BCS (Shri Shivaji College, Parbhani)	SRTMUN	2024	71%
HSC (Barashiv Hanuman Jr. College)	Aurangabad	2021	78%
SSC (N.V.S Marathawada High School)	Aurangabad	2019	65.8%

■ Certifications

• MS-CIT Certification (MKCL)
• Python for Data Science (SWAYAM NPTEL)
• Entrepreneurship Awareness Camp (State Level)
